

1st Lab Dedicated Exclusively To Birds, Reptiles & Exotic Small Mammals

Accession#: Status: **Complete**

Name: **Julian** Collected: 01/11/21

Species: **Chameleons** Print: 01/15/21

SubSpecies: Submitted: 01/12/21

Alt ID: Panther

Age: 2 Years

Sex: Male

Case History
Lethargic, rub

Basic Diagnostics

Complete Blood Count Verified on:01/15/21

Test Results Meter Normals Test Results Meter Normals WBC 10-3/uL 8.5 Hets/Neuts % 28
